Dear John:

The Director of our Agency has signed a certificate in recognition of your 20 years of service with the Organization. Since he could not express his appreciation in person by direct presentation to you, your certificate was forwarded to FBIS Headquarters for safekeeping until your return.

Meanwhile I want to add my own congratulations for your contribution to FBIS and to extend my personal best wishes as well as those of your FBIS colleagues.

Sincerely,

[Redacted]

Acting Director
